

— THE QUIET SYSTEM™ —

# Refer The Quiet System™.

## Keep half of every sale.

This is not a downline. There is no quota. No team to build. No pressure. The Quiet System™ affiliate programme is straightforward: buy a phase, share a phase, earn 50% on every sale made through your link. That is it.

### HOW IT WORKS

01

#### Purchase Phase 1

The Starting Block™ (R264) to activate your personal referral link.

02

#### Share honestly

Only refer phases you personally own and have found genuinely useful.

03

#### Earn 50%

Every sale made through your link earns you half the sale price. Flat rate.
